

WDMB ALTERNATE UNIFORM SHIRT

The WDMB uses our “alternate uniform” when the weather is too hot for our traditional full-uniform or during casual events. In the past, these shirts were issued year after year and shared among the membership. We have found this to be problematic and non-sanitary for this style of garment where the students sweat work and perform in.

This year all members (musicians & color guard) will be issued a shirt for our upcoming parades. Students will now own their

shirts at a cost of \$40 per shirt. Like band shoes, we feel this is a better, more sanitary investment for our members. We truly do our best to keep band expenses low and reasonable while providing our members a great experience.
